

Last spring, we sent questionnaires of whether parents preferred a few weeks of Summer Camp vs. more weeks Summer Camp. We had overwhelming response of the “lots of summer if possible” from the parents that responded. So..... we made a plan. It was looking something like this.....

Then..... WSFCS system threw in a surprise of shortening the students 2024 Summer Break. This was done to shift the **Late August to Early June** educational year to **Early August and finishing in late May**. This will be the “new normal” school year for the future.

This makes our Summer Camp a little shorter than we wanted this year, but it has our Pre-Schoolers coming back to school in the middle of August! We like that!!!! They'll actually get more school educational weeks this school year since they will start 2.5 weeks earlier than usual but will still end during the 3rd week of May as usual.

The proposed calendar/schedule is on the back of this sheet.
